Evaluating Learning Impact	<ul style="list-style-type: none"> • <i>The team implemented a thorough process to understand the business need and expectations prior to implementing the program</i> • <i>The team gathered and leveraged benchmarking data or metrics to understand the issue/need</i> 	<ul style="list-style-type: none"> • <i>The team communicated and gained support for the evaluation plan.</i> • <i>The team tied the evaluation plan to the overall organization or talent strategy</i> 	<ul style="list-style-type: none"> • <i>The team selected appropriate strategies, research design and measures to design the evaluation tool.</i> • <i>The team effectively and efficiently implemented/ managed the data collection</i> • <i>The team selected the most appropriate metrics to measure outcome against objectives.</i> • <i>The measurement techniques/strategy were innovative.</i> 	<ul style="list-style-type: none"> • <i>The team used appropriate techniques to analyze and interpret the data</i> • <i>The team applied appropriate learning analytics in identifying trends and results.</i> 	<ul style="list-style-type: none"> • <i>The team developed a comprehensive report to share their findings.</i> • <i>The team included recommendations to aid decision making</i>

2018 Rubric for Scoring Best In Show

The top-scoring applications from each award category will be evaluated for the **Best in Show** Award. In addition to the rubrics shown here, considerations will be given to the overall impact the initiative had. As you complete your application, be sure to tell your story and include how it was effective and innovative for your organization, clients and/or audience.
